The citations listed on attached PTO Form 1449 may be material to the examination of the subject application. Applicant submits copies of these references in compliance with the duty of disclosure defined in 37 C.F.R. §§1.56, 1.97-1.99. The Examiner is requested to review and make these references of record in the above-referenced application.

This submission does not represent that a search has been made or that no better art exists. Further, this submission does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art," Applicant reserves the right to present the relevant facts and law regarding such documents. Applicant reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicant respectfully requests expeditious examination and a favorable action on the merits.

Respectfully submitted,

Date: 13 APRIL 2004
